

Warriors Take Second In Wrestling Tournery

Fresh from second-place trophy honors in the UCLA wrestling tournament, El Camino College wrestling team opens its 1964-65 Metropolitan Conference season tomorrow at L. A. Valley at 3 p.m. Last year the Warriors defeated the Monarchs, 45-5.

Friday night El Camino meets Fullerton and Arizona Western at Fullerton. Last year Camino snuffed Fullerton, 36-8.

In Saturday's tournament, Cal Poly at San Luis Obispo finished ahead of the Warriors, 85 points to Camino's 79.

Final standings were Poly 85, El Camino 79, Arizona State 63 and UCLA 55.

Don Apacada, another freshman, pinned Albert Delgado of Fresno City College and was eliminated by Bill Miller from Cal Poly.

Hengesteler had nothing but praise for his athletes after the tourney. "It was a team effort against the strongest teams in California and Arizona," he said.

Last year the Warriors placed fifth.

High grad, captured the tournament's Heavyweight crown. Tom McCann, (123-pound) sophomore letterman, Norm Dean (130) a transfer student from the University of Oklahoma, and Dwight Fritz (177) Hawthorne, all captured second place honors in their classifications.

Rich Tamble took third in the 115-pound class and Gary deBeaubien and Ron Hampton took fourth in the 130- and 191-pound classes.

"Every member of the squad contributed to the strong showing," Coach Dave Hengesteler reports.

Ron Fisher won two matches at 147 pounds before being eliminated by Bill Gu-Nick Carollo, Redondo di Phoenix.

Palmer Signs For L.A. Open January 11-17

Arnold Palmer has sent in his entry for the 39th annual \$70,000-added Los Angeles Open golf tournament.

The first links event of 1965 will be played Jan. 7-11 over the Rancho Park terrain.

Palmer is a famed figure in L.A. Open legend, surprisingly more so for a collapse than the time he won in 1963. In 1961, Arnie recorded the infamous 12 on the 9th hole, hitting four straight balls out of bounds.

Defensive End Jones Chosen 'Ram of Year'

Defensive end David "Deacon" Jones is the "Ram of the Year."

He was voted that title by the Southern California Football Writers Association through a poll conducted by the Helms Athletic Foundation.

The announcement was made during the halftime intermission of the Los-Angeles-Green Bay contest. A brief ceremony was held in Jones' honor at mid-field where Bud Tucker, president of the writers' group, pre-

sented the former South Carolina State star with an engraved wrist watch.

LITTLE LEAGUE

O'Sullivan Leads South Redondo

Michael O'Sullivan, active in the South Redondo Little League since 1959, will lead the league as its president in 1965.

O'Sullivan says the league is already busy planning numerous projects for the organization's 13th season of boys' baseball.

Already instigated is a monthly newsletter mailed to parents of returning players. The publication is edited by Leonard Sims, vice president.

The league will hold a fund-raising breakfast in the early spring to provide income for the eventual relocation of the ball park. The present field is at the lower level of a future park site, Juanita St. and Sepulveda Blvd.

Members of the board of directors include Carl Van Wy, former president, treasurer; Betty Andrews, secretary; Bob Carey, player's agent; Walter Crosley, minor league representative; Mike Mastro, umpire-in-chief; John Thompson, purchasing agent; and Maryetta Watrin, auxiliary president.

O'Sullivan, and his wife, Mary Ann, 504 No. Irena, have seven children—Charles 13, Patricia 11, Mary Kay 10, Margaret 8, Jean 7, and Michael Jr. 3.

In a change of league boundaries, the area in Torrance bounded by Torrance Blvd., Henrietta St. Del Amo Blvd., and the Redondo Beach city limits, has been transferred to Torrance Little League.

An area bounded by 190th St., Meyer Lane, and Ripley Ave., in Redondo, has been reassigned to South Redondo.

Height Limit Suggested For League

Basketball players interested in organizing teams with a height limit are encouraged to contact the Torrance Recreation Department, Elmer "Red" Moon has announced.

Moon said there appears to be interest in basketball for "under 6-footers," and a league would be initiated if sufficient teams are available.
